

NAUI Instructor Training Course  
Hosted by Discover Diving  
Buffalo NY  
August 9 – 17, 2007

Join the league of the world's best underwater instructors – become a NAUI Instructor! A NAUI ITC is a rigorous experience that hones your skills as an educator. At a NAUI ITC you will learn how to write lesson plans, prepare classes and organize materials that meet the needs of your students; you will also learn more about NAUI and the quality of our organization.

**Prerequisites:** Must be 18 years of age; Medical approval to dive; Current First Aid & CPR training; Currently certified NAUI Divemaster, Assistant Instructor, or graduate of a NAUI Prep Course within last the last 12 months; 75 logged dives minimum; and able to pass the NAUI Prequalification Instructor Exam to be administered at start of the ITC. Candidates must provide all their own dive equipment in accordance with standards.

Candidates lacking the required certification or NAUI Prep Course may contact the Course Director or Training Director to arrange for completion of the Prep program prior to the scheduled start of this ITC.

**Required Material:** All candidates must possess the NAUI Instructor Library. Purchase of this library is included in the NAUI ITC Tuition. Tuition rates will be adjusted for candidates who already own all or portions of the required material. Check with the Course Director or Training Director for details. Candidates are encouraged to request their materials prior to the start of the ITC.

**Course Format:** This ITC will be conducted in the traditional 10 day format. Days will begin at 8:00 AM and run into the early evening with time for meals. It is intended to offer an intense but rewarding experience designed to maximize teamwork and camaraderie among colleagues while enhancing your skills and knowledge as a professional instructor. This type of “workshop” format consistently produces some of the best prepared instructors due to the opportunity for staff and candidates to work so closely together over a 10 day period. It is an event you will never forget!

**Tuition:** \$2700 includes the NAUI Instructor Library, all pool and boat charter fees, air or nitrox fills as required, support materials provided by the course staff, all instruction by the ITC staff and the ITC graduation banquet for the candidate and his or her guest. Payment of tuition does not guarantee certification. Tuition does NOT include meals, travel, lodging or any other expenses except those specifically listed above.

**Application:** Contact the staff members listed below to request an application packet. Applications must with a \$500 deposit. Deposits are fully refundable if cancelled at least 15 days prior to the start of the ITC. Final payment must be made by the start of the ITC.

**Staff:** Dallas Edmiston, Course Director; Darryl Edmiston, Training Director. Both may be contacted at 716-685-4557 or by email at [dive@ddwny.com](mailto:dive@ddwny.com)
